

## Men of the City

**Author/Director: Marc Isaacs**

Producer: Bungalow Town productions Ltd

Country: UK

Length: 58'

The film shot in the financial place of The City, focuses on several Londoners from various social classes during the 2008 economic crisis. From a high-end hedge fund manager to a spiritually oriented street sweeper seeking peace, Isaacs fluidly balances sensitive portraits of people striving to find their place in the swarming city of London.

"No one has ever made a film about the City that is so singular, so evocative and so human." The Times
