

## Philip and his Seven Wives

**Author/Director: Marc Isaacs**

Country: UK

Length: 75'

In a quiet corner of England, a former rabbi is living a life based on the ancient patriarchy of the Old Testament. Six years ago, God told the rabbi that he was to become a Hebrew King, and like a good patriarch, he was to take multiple wives. Now he raises horses, runs four second-hand furniture shops in Brighton and Hove and lives with seven women who, while not legally his spouses, believe their union is sanctioned by God. Each seeks a different sort of spiritual fulfilment.
