

Thirty Years of War in the Name of God

Author/Director: Thomas Johnson

Producer: Play Film

Country: France

Length: 2x52'

The Persian Gulf and the Strait of Hormuz have become the battlefields where our future and that of the planet are being played out.

This film documents 30 years of war that marked the return of religion in the realm of politics.

It began in 1979 and the Iranian revolution, and develops over with the two following periods marked by two wars in Irak, 1991 and 2003 to end with the Arab Spring of 2011.
