

July in Quiberville

Author/Director: Didier Nion

Producer: Mille et Une films

Country: France

Length: 68' & 84'

A camp site, the beach, the ripening wheat, the Tour de France : JULY...

Nothing extraordinary, nevertheless in the course of a shrimping expedition, words and faces express what is essentiel : the rich, the poor, the good God, friendship, years of labour, war, good luck, kids' futures...

To the rythm of fleeting days, life's struggle gently appears on the holiday beach.
