

LA SUPPLICATION (Voices from Chernobyl)

Author/Director: Pol Cruchten

Producer: LA HUIT PRODUCTION

Country: Luxemburg

Length: 86'

This film does not deal with Chernobyl, but rather with the world of Chernobyl, about which we know very little.

Eyewitness reports have survived: scientists, teachers, journalists, couples, children... They tell of their old daily lives, then of the catastrophe. Their voices form a long, terrible but necessary supplication which traverses borders and stimulates us to question our status quo.

Based on the novel by Svetlana Alexievich, Nobel Prize in Literature 2015.

Awards: Best Documentary, Minneapolis St. Paul International Film Festival
