

The Lost Boys of Mercury

Author/Director: Clémence Davigo

Producer: Alter Ego Production

Country: France

Length: 106'

As children in the 50s to the 70s, Dédé, Michel and Daniel were sent to the Belle Étoile "correctional" facility run by the abbot Garin and located in the Savoie region of France. There, they were beaten, humiliated, starved and broken. With the help of director Clémence Davigo, they finally reunite to break their silence. A moving chronicle in search of memory and justice.
